Shaun, attached are two documents and providing a link for your meeting on Wednesday:

1. Talking points for the U&O FIP. We have a lot of additional background information we can print and give to you if you'd like it.
2. General talking points on UT RH
3. A fact sheet on the proposed work on methane – we have a Q&A on methane in the U&O FIP document, this is additional background if needed.
